

The Biker's Responsibility Initiative

Whereas: There are inherent risks involved in the participation in the sport of motorcycling; and

Whereas: Riders, by participation, accept the risks inherent in such participation,

Therefore: Riders, as a group and as individuals have a responsibility to exercise good judgment and act in a responsible manner while operating a motorcycle.

By signing below, I hereby acknowledge and accept my responsibility as a motorcyclist to set a good example to my fellow riders and do my part to project a mature, responsible image to the general public.

- **I Ride Responsibly** – Properly licensed and insured and obeying all traffic laws;
- **I Ride Sober** – Never under the influence of alcohol or other drugs;
- **I Ride Smart** – Always learning, always striving to become a better, more skillful rider;
- **I Ride Safe** – Keeping my bike properly maintained, wearing protective gear, and always riding within my limits, the limits of my bike and the limits of the riding environment at hand.
